# Training Tuesday

## CMS 2024.1 Updates

Presented by:

Maria Magouirk – Software Trainer  
[mmagouirk@modernncampus.com](mailto:mmagouirk@modernncampus.com)

# Overview

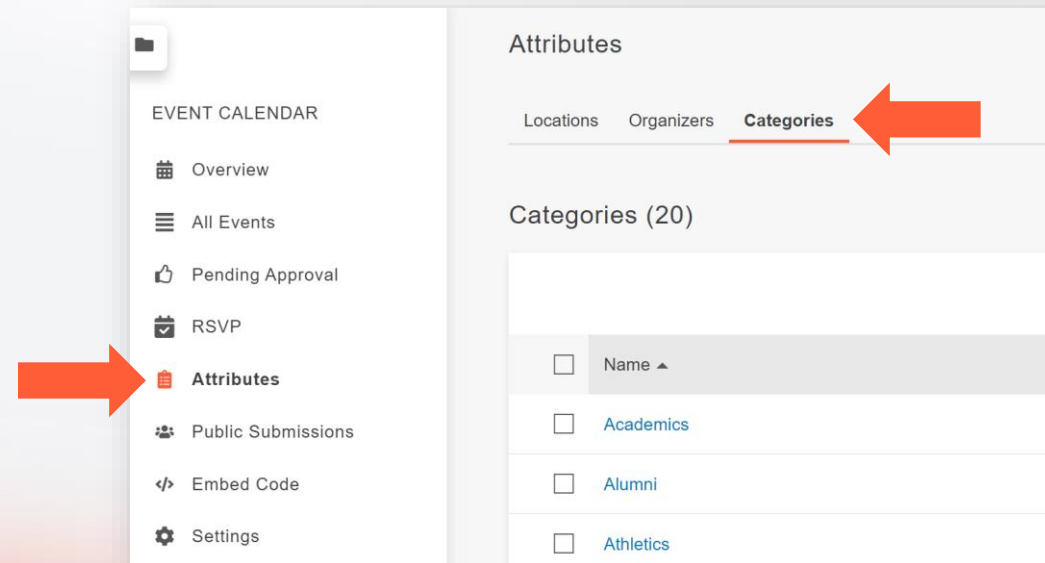

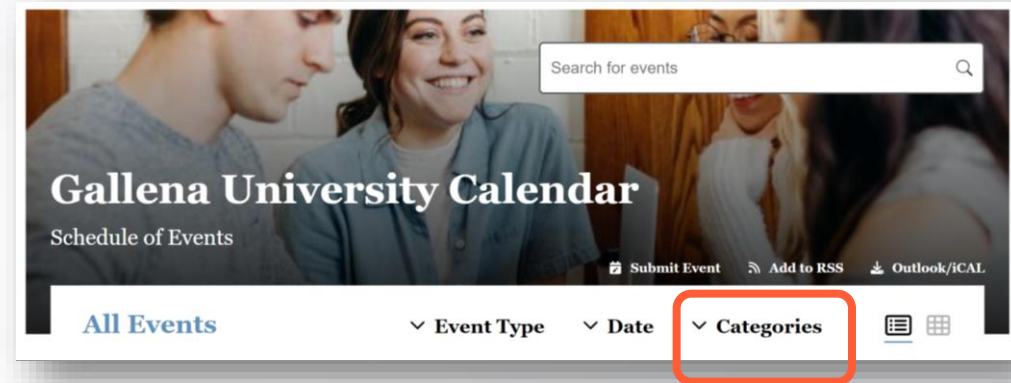

1. CMS Integrated Calendar
  - Categories
  - RSVP for an event series
2. Responsive Preview
3. Other Updates
  - LDP Rename
  - Image Sizes Performance Improvements
  - Branding Updates

# CMS Integrated Calendar

- **Categories**
  - Event tags renamed "Categories"
  - We have migrated your existing event tags to Attributes
  - These events tags were not removed from Global Tags

3

# CMS Integrated Calendar

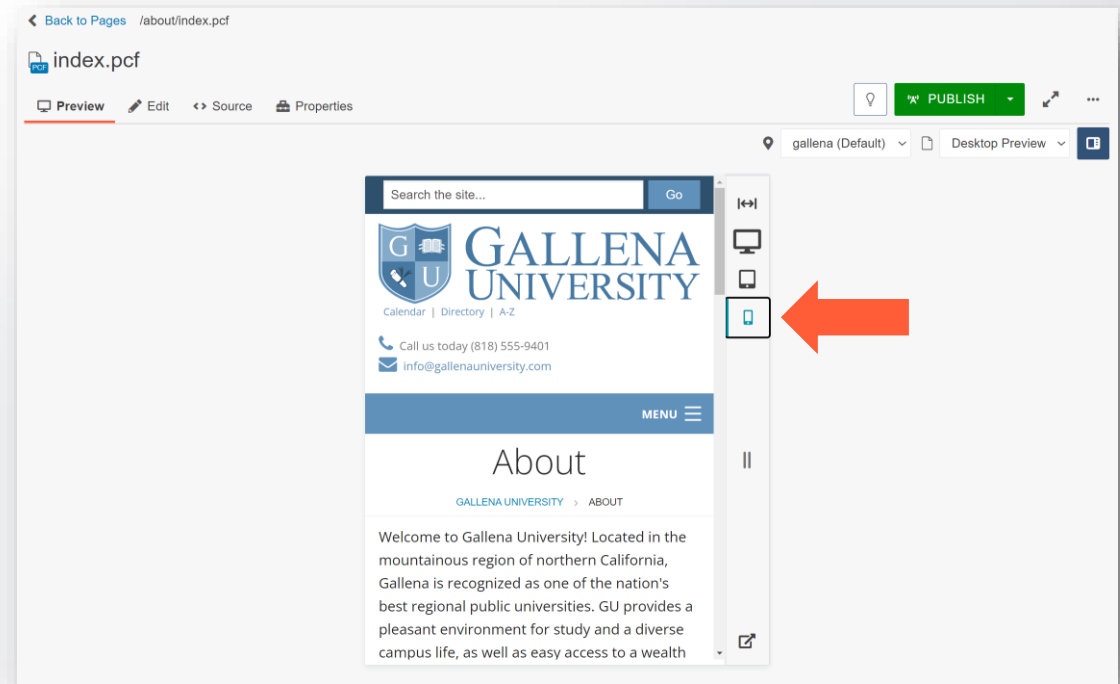

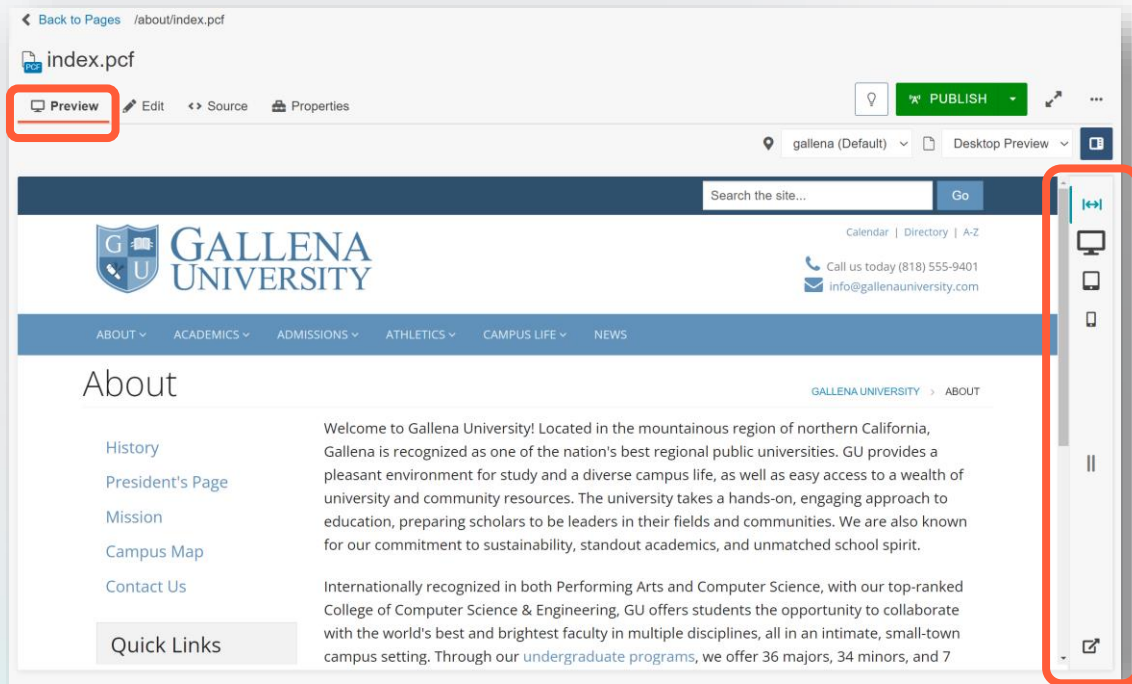

- RSVP
  - Add RSVP to an event series
    - A Series Overview on the public events page will list upcoming dates and times in the series
    - Enable automated, branded emails and/or email attendees manually
  - Manage your registrations and cancellations using RSVP > Pending
  - Event organizer RSVP notifications are now streamlined

4

The screenshot displays the 'Gallena University Calendar' interface. At the top, there are navigation options for 'Event Type', 'Date', and 'Categories'. The main content area features the Gallena University logo on the left and a list of 'Faculty Meeting' events on the right. The 'Event Series' section on the left provides details: 'Begins: Wednesday, March 27, 2024', 'Ends: Tuesday, December 31, 2024', 'Events: 8', 'Administration', and 'Blocksom Hall Multi-Purpose Room'. Below this, it indicates '199 Spots Available' and includes an 'RSVP' link. A red arrow points to the 'RSVP' link. The event list on the right shows dates from May 22, 2024, to December 4, 2024, all at 10:00 AM - 11:00 AM (Central Time). A red box highlights the event list. At the bottom, there are links for 'Join us virtually!' and a 'COPY' icon.
